Second Public Comment:

- Mario asked each Board Member if they knew how to operate the new tractor. Why does everybody have to go see the new tractor? Building Inspector should come to the meetings. How did the Supervisor know about the cement in the old barn?
- Thank you for the detailed Treasurer report. Why doesn't the Supervisor have a report anymore? Who gets the interest on our accounts?
- Why do some pay \$5,000 for water tap in and not \$15,000. Maybe the Resolution needs to be relooked at.
- When was the through truck sign put on S. Stony Creek Rd. Can you shave the cement in the old Barn to make the door fit?
- Why would you wait until there is damage to put a no through truck sign on Doty Rd.?
- What is the status on the Ferder Rd. greenhouses? Thanking Solar Committee and the Board. Is the Supervisor's Report part of his statutory duties?
- Nolan Rd. needs to be grated it has bad potholes.

Motion: Lange 2nd Kleinow to approve payment of the bills. Carried.

Supervisor Queen adjourned meeting at 8:25 p.m. without objection.

Christina Bogoski, Clerk
