Second Public Comment:

- Deanna curious why Supervisor Queen keeps throwing the Ordinance Officer under the bus but doesn't call out the Building Official. The Ordinance Officer has been doing a great job. Why can't we bring back Mr. Gay to the Planning Commission?
- The fire hydrant in Scofield is in need of some TLC.
- The Planning Commission cancelled their meeting why wasn't that posted to the website? Did anyone look into the water hook up resolution? Are there other Township employees that don't live in the Township? Then why is it an issue for the Ordinance Officer?

Motion: Bruck 2nd Lange to approve payment of the bills. Carried.

Supervisor Queen adjourned meeting at 7:55 p.m. without objection.

Christina Bogoski, Clerk
